

Invitation to Attend

# Product Showcase & Seminars

April 23, 2024

Cedar Meadows Resort in Timmins, Ontario

**Product Showcase** 11:00 am to 7:00 pm  
**Technical Seminars** 11:00 am to 3:00 pm

Meet the Experts in Automation, Instrumentation, Power Distribution & Valves

**The Product Showcase** Cedar Meadows Salon Cartier. Discover new innovations and products from some of the key manufacturers we represent within the region. This event is an ideal opportunity to discuss 1 on 1 with the experts your operational challenges. Food and refreshments will be served throughout the event.

**Technical Seminars** Cedar Meadows Salon Cabot & Louis Riel. Six technical application based seminars are scheduled for the event. The seminars will showcase innovative solutions to solve real industry challenges, increase plant reliability and safety. Space for the seminars is limited.

**Register** for the product showcase and technical seminars by emailing your confirmation to [technicalseminar2024@chesscontrols.com](mailto:technicalseminar2024@chesscontrols.com). Attend to qualify for prizes drawn at the event.

See the attached seminar schedule to register for application-based seminars. Contact Marcel Houle at **1.800.461.4076** or [technicalseminar2024@chesscontrols.com](mailto:technicalseminar2024@chesscontrols.com) for more information.
